

Claude (Anthropic)

Within a Project, click the "Instructions" button.

Claude (Anthropic)

Instructions +
Add instructions to tailor Claude's responses

Files

How can I help you?

+
Add PDFs, documents, or other text to reference in this project.

Set project instructions will work

Provide Claude with relevant instructions and information for chats within alongside user preferences and the selected style in a chat.

Use Artifacts only for web apps and code demos.

Cancel Save instructions

Claude doesn't have a "User Toggle" for training in the same way ChatGPT does (they don't train on Pro/Team data by default). Instead, focus on Project-level Security by uploading a "Company Privacy Policy" as a PDF to the Project Knowledge base.
